The garden of forking memes: how digital media distorts our sense of time

July 7, 2020. Aaron Z. Lewis. 15 mins read.

How did digital media disrupt 20th-century timekeeping systems and spark an insurgence of alternative historical narratives?

And another thing...

So finally a very happy birthday this weekend to Voltaire, who was born François-Marie Arouet on 21 November 1694. Philosopher & man of language, experimenter & reformer, humanist &
